# Desk/2600 Simplicity at the heart of countertop payment

- Connect any wired devices through the single MagicBox cable enabling a unified integration
- Ensure business continuity with a battery back-up

ingenico

## With its nimble design, the Desk/2600 fits perfectly on any counter.

#### **Optimized checkout time**

- Multiple alternative payment methods supported
- Highlighted contactless zone
- Large keypad and display
- Paired with the Desk/1600, saving space and speeding up the checkout

#### Seamless integration with wired POS device

 MagicBox cable offering various wired connectivity including customer module for the Desk/1600

#### Maximized network availability

- Ethernet, Wi-Fi and 4G with dual SIM
- Battery back-up to cover power loss

#### Highest security

- PCI PTS v6Optional PCI compliant privacy shield
- Highest physical protection of sensitive data thanks to TETRA vault design

### Eco design to reduce carbon footprint and control the use of natural resources

- Usage of components with low power consumption
- Usage of renewable and recycled materials

#### Supported by Ingenico's suite of services

- Fleet management & security solutions
- Hardware services
- Professional services
