

# Repair and Warranty Services

Maximizing the value of your payment acceptance devices

- Complete repair coverage options including parts, labor and required services like key injection to bring your payment device back to service.
- Extended Warranty allows extension of your warranty (2-5 years) with repair center turnaround time of 21 business days.
- Standard Care repair turnaround time is 10 business days.
- Total Care advance replacement services provide next business day delivery.
- Field Total Care provides on-site options for replacement.
- Easy Care accidental damage protection can be paired with any of our warranties. This added protection covers all repairs with limitations on the number of No Fault and damaged devices.
- Ingenico Repair Portal allows you to create a repair authorization and track status 24/7.
- Help Desk options can be added to the repair service to provide basic troubleshooting or more advanced issue resolution.

**Your company has made significant investments in its payment devices. Keeping them at their highest efficiency provides confidence and helps drive maximum sales.**

Whether you own or lease your payment equipment, and no matter what industry you're in – banking, processing or retail – you can count on a comprehensive suite of Repair and Warranty, Advance Replacement, Help Desk and Installations services that maximize uptime. Select additional services from a full menu and create a customized package that uniquely fits your business needs.

Extend your standard one-year manufacturer's warranty for up to five years with coverage including Extended Warranty 21 business day turnaround or Standard Care 10 business days, so you'll be back in business as fast as possible.

The optional Advanced Replacement Services can provide additional coverage of the payment device including:

**ASSET MANAGEMENT/TRACKING  
HARDWARE/SOFTWARE UPGRADES**

**EQUIPMENT DIAGNOSTICS  
HELP DESK SUPPORT**

**KEY INJECTION OUTBOUND  
SHIPPING**
