

# AXIUM NX8

Empowering Mobility: The Power of POS, the Flexibility of SoftPOS

Tap in an instant with blazing-fast, ultra-reliable NFC

Power your business with Android 14 and full Google Mobile Services access

Work smarter with a sleek design and large, clear display

Rely on expert-built security and performance from payment specialists

# AXIUM NX8, a professional SoftPOS terminal that blends the reliability of hardware with the flexibility of software.

## Endless possibilities – Android 14 & GMS certified for business apps

### Performance that powers business

Octa-core processor, 4GB+32GB memory – fast, fluid, future-ready.

### Flexible SoftPOS experience

Ingenico's trusted app, or open to any SoftPOS of your choice.

### Smarter, greener digital receipts

QR, SMS, email, or Bluetooth print – paperless and fast..

### Reliable connectivity anywhere

4G, Wi-Fi, Bluetooth, and Dual SIM for seamless operation.

### Immersive display – 6.5" touchscreen

Sharp, responsive, and built for professional use.

### Compact, mobile-ready design

Lightweight form factor with dual cameras (2MP & 5MP) for scanning and capture.

### Removable, swappable all-day battery

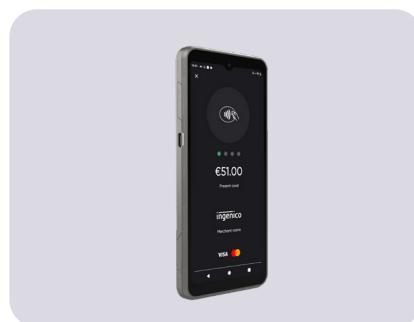

2930mAh capacity designed for extended shifts and quick replacement.

### Inclusive and accessible by design

EAA compliant and intuitive for all users.

### Smarter operations with Ingenico Device Management

MDM, remote updates and easier support from anywhere.
